ICCN

INTERNATIONAL CONFERENCE ON CLINICAL NEONATOLOGY

25-27 SEPTEMBER 2026

Grattacielo Intesa Sanpaolo

TURIN - ITALY

iccncongress.eu

A few numbers on ICCN...

300+ Participants

100+ Abstracts

40+ Expert Speakers

Main Conference Topics:

- RSV Burden
- Infant immunization
- Maternal immunization
- Innovation and Technology in Neonatology- the Smart Hospital NICU Project
- The RSV vaccine pipeline
- Perinatology

Scientific Rationale:

This Conference aims at gathering together international Experts in Neonatology, Perinatology and Neonatal – Infant Medicine in order to update the scientific community and to give practical hints to the attendants.

The core value of the scientific program is to propose and discuss the most updated evidence-based science, and to bridge together scientists and clinicians, since finding feasible evidence-based solutions for the clinical daily dilemmas occurring in the Neonatal and Infant Units is a priority.

Conference Committees

Conference Chairman

Paolo Manzoni
Professor of Pediatrics and Neonatology
University of Torino, Italy

Conference co-chairs

Eugenio Baraldi
Professor of Pediatrics
University of Padova, Italy

Guilherme Sant'Anna
Professor of Pediatrics / Neonatal Division
McGill University Health Center,
Montreal, Canada

Bianca Masturzo
Chief of Obstetrics
and Gynecology Department
Ospedale degli Infermi,
Biella, Italy

PROGRAMME

Day 1 ▸ September 25th

8th GEM - the Resvinet Global Expert Meeting on Pediatric and Neonatal Respiratory Viruses

08:30 - 08:45	**Opening and Start of the day** *Chairs: Louis Bont (Netherlands), Eugenio Baraldi (Italy), Paolo Manzoni (Italy)*
08:45 - 10:15	**1st session: RSV burden and impact of population prophylaxis strategies**
08:45 - 09:10	Impact of infant RSV prophylaxis with Nirsevimab: views from different Countries and from different organizational models *Paolo Manzoni (Italy)*
09:10 - 09:35	Impact of maternal RSV immunization: the global data *Gonzalo Perez Marc (Argentina)*
09:35 - 10:00	Pneumococcus and respiratory viruses: fatal attraction? *David Greenberg (Israel)*
10:00 - 10:15	Discussion (15 minutes)
10:15 - 10:45	**Coffee break**
10:45 - 12:15	**2nd session: The new post RSV world**
10:45 - 11:10	How will RSV look like? *Pablo Sanchez (USA)*
11:10 - 11:35	Emerging viruses: will universal RSV prophylaxis change the game? *Carlo Pietrasanta (Italy)*
11:35 - 12:00	Will hMPV be on the rise? Can we expect that it will become a threat? *Maria Ailen Bruno (Italy/Argentina)*
12:00 - 12:15	Discussion (15 minutes)

12:15 - 13:15	**INDUSTRY SUPPORTED SESSIONS** **From Recommendations to Evidence: Key Considerations for Successful Implementation of RSV Maternal Immunization**
	CLICK TO VIEW PROGRAMME
13:15 - 14:30	**Lunch Break and Poster walk**
14:30 - 16:00	**3rd session – RSV Advocacy towards parents and stakeholders** (jointly with GAFPA)
16:00 - 18:45	**What's next - new issues, new challenges**
16:00 - 16:25	Clesrovimab: the new actor on stage *Flor de Maria Munoz Rivas (USA)*
16:25 - 16:50	Antivirals for RSV: May they be an option? *John De Vincenzo (USA)*
16:50 - 17:15	The RSV vaccine pipeline: any news? *Natalie Mazur (Netherlands)*
17:15 - 17:40	What about Nosocomial RSV infections in ICU settings? A comprehensive view. *Harish Nair (UK) - TBC*
17:40 - 18:15	Breastfeeding and maternal RSV prophylaxis: is there an added value? *Gonzalo Perez Marc (Argentina)*
18:15 - 18:45	All panelists – Q & A / **DISCUSSING THE FUTURE OF RSV IMMUNIZATION**
18:45	**Closing Remarks** *Louis Bont (Netherlands), Eugenio Baraldi (Italy), Paolo Manzoni (Italy)*

Day 2 ▸ September 26th

projet hôpital intelligent | smart hospital project

13th ICCN – Innovation and technology in Neonatology and Perinatal Medicine (26-27 September)

Chairpersons: Guilherme Sant'Anna (Canada-Brazil), Bianca Masturzo (Italy), Paolo Manzoni (Italy)

Moderators: Dr. Robert Kearney, PhD & Dr. Paolo Manzoni, MD, PhD

Introduction

9:00 AM - 9:15 AM	**Dr. Paolo Manzoni, MD, PhD** Why innovation and technology for the NICU ? **(20-min talk)**

Session 1

9:15 AM - 9:35 AM	**Dr. Guilherme Sant'Anna, MD, PhD** Towards the Development of a Smart NICU **(20-min talk)**
9:35 AM - 9:55 AM	**Eva Sénéchal, PhD** Wireless Skin Sensors in the NICU: What's done and what's next? **(15-min talk)**
9:55 AM - 10:15 AM	**Klara Kipczak & Sofia Palacios Cuevas** AWARD Clinical International Study: Phases 1 &2 **(15-min talk)**

10:15 - 10:35 AM: Session 1 Q&A

10:35 - 11:15 AM: Break (40mins)

Come visit us at our booth!

We'd love to answer your questions on our project. We have our technology on display, branded swag you can take home and prizes for lucky winners!

Session 2

11:15 AM - 11:35 AM	**Dr. Robert Kearney, PhD** Biomedical engineering in the evaluation of novel vital sign sensors: Challenges and solutions **(20-min talk)**
11:35 AM - 11:55 PM	**Dr. Ha Uk Chung, PhD** Skin-Interfaced Wireless NICU Monitoring: Innovation for Smart NICU Hospital **(20-min talk)**
11:55 AM - 12:15 PM	**Dr. Wissam Shalish, MD, PhD** Next-Generation Neonatal Respiratory Monitoring: Insights from the Neo-BEAT Lab **(20-min talk)**

12:15 - 12:35 PM: Session 2 Q&A

12:45 - 2:30 PM: Lunch Break (1h 45mins)

Bubble CPAP Documentary

Bubble CPAP and the Columbia Approach
(60-min screening)

Watch trailer

12:35 PM - 12:45 PM	**Closing Remarks** Paolo Manzoni & Guilherme Sant'Anna **(60-min screening)**

12:45 - 14:30	**Lunch Break**
	During Lunch Break: The Bubble CPAP Documentary- Bubble CPAP and the Columbia Approach
14:30 - 16:00	**Neonatal Neurology** (endorsed by ESPNIC)
14:30 - 14:50	From hypoxia to asphyxia – outcomes of neonates exposed to hypoxia *Ola Saugstad (Norway)*
14:50 - 15:10	aEEG monitoring in the NICU: where are we? *Karl Schettler (Germany)*
15:10 - 15:30	Outcomes of infants undergoing ECMO: lessons from an international registry *John De Vincenzo (USA)*
15:30 - 15:50	Discussion (20 minutes)
15:50 - 17:30	**Young Researchers Tournament – Platform Presentations** *Chairs: Mattia Spatuzzo (Italy), Fabio Midulla (Italy)*
17:30 - 17:45	**Closing remarks- adjourn**

Day 3 ▸ September 27th

13th ICCN – Innovation in Perinatal Medicine
Chairpersons: Bianca Masturzo (ITA), Paolo Manzoni (ITA)

09:00 - 12:00	Neonatal and Perinatal Medicine – in conjunction with **SIMP** (Italian Society of Perinatal Medicine) *Moderators: Daniele De Luca (France), Francesco Raimondi (Italy), Virgilio Carnielli (Italy)*
09:00 - 09:10	**Opening Remarks**
09:10 - 09:30	New tools and new skills for the management of labour *Tullio Ghi (Italy) - prerecorded*
09:30 - 09:50	The ODON system- real-world pactice and evidence *Bianca Masturzo (Italy)*

09:50 - 10:10	The high Altitude Baby: the impact of the hypobaric hypoxia on the newborn *Amed Soliz, (Bolivia-USA)*
10:10 - 10:30	Role of Probiotics during pregnancy and their possible association with perinatal outcomes *Fabio Facchinetti (Italy)*
10:30 - 10:40	Discussion (10 minutes)
10:40 - 11:10	**Coffee Break and Poster Walk**
11:10 - 11:30	Preventing neonatal Early Onset Sepsis – an update on the use of diagnostic tools *Karen Puopolo (USA)* - online
11:30 - 11:50	Vertical Candida infection *David Kaufman (USA)*
11:50 - 12:00	Discussion
12:00 - 13:00	**INDUSTRY SUPPORTED SESSIONS** **One Goal, Two Specialties: Helping To Protect Infants Against RSV Disease** **CLICK TO VIEW PROGRAMME**
13:00 - 14:00	**Lunch Break**
14:00 - 16:00	**Neonatal and Perinatal Medicine – in conjunction with SIMP** (Italian Society of Perinatal Medicine)
14:00 - 14:20	Using artificial intelligence to enhance writing vs. presenting a manuscript that does not reflect one's own work: how can we prevent such forms of misuse? *Mitchell Goldstein (USA)*
14:20 - 14:40	Nutrition of preterm neonates- what's new? *Luca Maggio (Italy)*
14:40 - 15:00	Zika and chikunguya- an update *Marco Safadi (Brazil)*
15:00 - 15:20	Use of Iron enteral supplementation during pregnancy and neonatal outcomes *Serafina Perrone (Italy)*
15:20 - 15:50	Discussion (30 minutes)
15:50 - 16:10	**Closing Remarks** **Arrivederci**

Industry Supported Sessions

Pfizer

25th September 2026

12:15 - 13:15	**From Recommendations to Evidence: Key Considerations for Successful Implementation of RSV Maternal Immunization** *Panelists: Paolo Manzoni (Italy), Marco Safadi (Brazil), Irene Cetin (Italy)*
12:15 - 12:25	**WELCOME AND INTRODUCTION** **Timing matters: Optimizing Antibody Transfer and Infant Protection Following RSV Maternal Vaccination** *Paolo Manzoni (Italy)*
12:25 – 12:45	**Demonstrating Consistent Effectiveness: Lessons From Global RSV Maternal Vaccination Programs** *Marco Safadi (Brazil)*
12:45 – 13:05	**Supporting Informed Choices: Review of Patient Preferences, Uptake and Safety Data for Maternal Immunization** *Irene Cetin (Italy)*
13:05 - 13:15	**PANEL DISCUSSION AND Q&A** *Moderator: Paolo Manzoni (Italy)* *Panel: Marco Safadi (Brazil), Irene Cetin (Italy)*

27th September 2026

12:00 - 13:00	**One Goal, Two Specialties: Helping To Protect Infants Against RSV Disease** *Panelists: Yazmeen Agosti (USA), Gonzalo Pérez Marc (Argentina), Fatima Husain (UK)*
12:00 - 12:10	**WELCOME AND INTRODUCTION** **Helping To Protect Infants From Day One: Why Timing Matters In RSV Maternal Immunization** *Paolo Manzoni (Italy)*
12:10 - 12:30	**Real World Impact: Translating RSV Maternal Vaccination Into Meaningful Clinical Outcomes** *Gonzalo Pérez Marc (Argentina)*
12:30 - 12:50	**Bringing RSV Maternal Vaccination Into Routine Care: An Obstetrician's Perspective** *Fatima Husain (UK)*
12:50 - 13:00	**PANEL DISCUSSION AND Q&A** *Moderator: Paolo Manzoni (Italy)* *Panel: Gonzalo Pérez Marc (Argentina), Fatima Husain (UK)*

Registration Fees

CATEGORIES	FEES
Physicians	€ 350,00
Nurses	€ 125,00
Residents/Fellows	€ 125,00
Low and Lower-Middle Income Countries*	€ 50,00
Corporate Professionals	€ 700,00
Students	FREE

Above rates do not include 22% VAT and any applicable payment processing fees (€10 for credit card payments or €15 for bank transfers)

Registration Fees Include:

- UEMS and CME accreditation
- Access to all Scientific Sessions
- Access to the Exhibition area
- Congress Kit
- Attendance badge
- Electronic final scientific program
- Certificate of attendance
- Lunches and Coffee Breaks during the Conference hours

*L&LM countries are defined by the World Bank Group. **Click here** to check if your country is elegible for such discounts

REGISTRATION

Abstract Submission

TOPICS

Abstract submissions are welcome on the following topics:

- Neonatology topics
- Pediatrics topics
- Perinatology topics
- Obstetrics-Gynecology topics

How to get to the City

By Air

Turin-Caselle Airport (TRN) is the city's main international airport, located about 16 km northwest of the city center. It offers both national and international flights and is well connected to the city via trains, buses, and taxis.

By Rail

Porta Susa is the closest station to the conference venue, it is a key railway station in Turin, offering national and international connections.

By Bus and Metro

Buses: Turin is well-served by a network of public buses that connect all parts of the city and surrounding areas. Main stops are at the train stations (Porta Nuova and Porta Susa), the city center, and residential areas.

Metro: Turin's metro system is quick and convenient, with several stops in both the city center and suburban areas.

Bus to the Airport: The "Airbus" service directly connects Turin-Caselle Airport to Porta Nuova and Porta Susa stations, providing a convenient way to get into the city.

By Car

Turin is easily accessible by car from various regions of Italy via the main highways. From the A4 highway, which connects Milan to Turin, you can drive directly into the city, with the journey taking approximately 1.5 hours. If you're coming from Bologna or Florence, the A21 highway is the best route, leading directly to Turin in about 3 hours.

How to get to the venue

The Intesa Sanpaolo Tower (Grattacielo Intesa Sanpaolo) is located in the Centro Direzionale Lingotto area in Turin, Italy. The tower is easily accessible from the city center.

How to get the venue from Torino Porta Susa Station:

The Intesa Sanpaolo Tower is within walking distance from Torino Porta Susa station, and it takes about 5 minutes to reach it on foot.

How to get the venue from Torino Porta Susa Station
The Intesa Sanpaolo Tower is within walking distance from Torino Porta Susa station, and it takes about 5 minutes to reach it on foot.
